

### **Awareness Programme**

A team from PACT “People for action and collaborative transformation” a registered not-for-profit society; called at SAM Degree College, Budgam and interacted with the students through their Presentation.

The aim of the society is to provide a platform for youth to realize their dreams and act on issues that matter most to them. The society is in search of motivated young people and aims to bring them together to have a long term positive change.

Huge number of students participated in the event and the programme remained successful.
