PLANTATION DRIVE

Every year NSS wing of SAM Degree College conducts tree plantation drive for awareness among the students about the importance of keeping earth green and pollution free. On 26TH March 2018, NSS organized the Plantation drive in collaboration with Department of Botany. The Principal SAM Degree College Budgam gave a kick start to the drive by planting a tree in the premises of the college. Other senior staff members from various faculties and NSS volunteers followed the suit. As a part of drive around 200 saplings were planted in the premises of the college. Later Principal SAM Degree College Professor Rafiya Rashid threw light on the importance of plantation for the sustenance of biodiversity. Later many other speakers from NSS spoke about the importance and necessity of the plantation in the wake of global warming and other fast environmental changes. In the end Professor Musharaf Rahman NSS officer thanked Principal and other participants for making programme a success.
