

REPORT OF WORKSHOP (DIGITAL PAYMENT SYSTEM) CONDUCTED IN THE
COLLEGE BY CSC, BUDGAM

The NSS Programme Officers on 26-12-2016 arranged a one day workshop in the college by CSC, Budgam to provide digital financial literacy to students. The trainers educated the students on the various options available to them about digital payment mode. The students were made aware about mobile wallets and UPI enable mobile app. The effort was made to train students who can then educate illiterate persons in their respective localities so that everyone becomes aware about cash less transaction without facing any difficulty as this mode of transaction is easy, convenient and secure for everyone.
